Registration Information for the 2020 -2021 School Year

Dear Parents and Guardians,

We are here to support you in forming your children in the Catholic Faith. For the coming school year, we plan to offer a blended program with several options. We will continually evaluate our program and commit to being creative and innovative so we can help you staying connected to your parish family through faith formation classes and resources.

Sacramental preparation (Baptism, First Confession, First Communion age 6 and older)

It is a two year process; Your child will need to attend a weekly class onsite or parents teach the lessons weekly at home. The material will be available as books or online and parents will get lots of support. Fee for Year One: \$80 per student; fee for Year Two: \$80 plus \$20 material fee per student.

Continued Faith Formation (Kindergarten, 3rd grade and older)

Your children may attend a weekly class onsite or do the weekly lessons at home. The material will be available in print or online; students will meet in class or via video conference. Fee is \$80 per student.

Family Catechesis – For families with children of all ages: Making the family the heart of the church

We will have monthly themes with events (onsite or online) and provide materials that families may do at home to know, live, and grow in their faith. We will focus on the liturgical year, saints, family devotions, service projects, and more. Fee is \$80 per family.
